REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We are very proud to have another rewarding year here at Chandler Creek Elementary and appreciate the opportunity to educate and inspire the young people in this community. Our school has established a rich tradition of combining academic excellence, with a sense of community responsibility and service, which is second to none. The continuation of this tradition is the goal of everyone connected to our International Baccalaureate Primary Years Program at Chandler Creek Elementary.

All students who walk through our doors are challenged to do his or her best in academics and behavior. Each child is expected to represent their homes and families in a positive manner. Our school provides each student with limitless possibilities in education, and we are confident that through the joint efforts provided by the school, parents, and community that everyone will have a successful year.

Community and Parent involvement are critical factors in the success of a child's education. No student will achieve what he or she is capable of without parent involvement. Parents are encouraged to have a working relationship and open communication with their child's teachers, staff, and principal through our School Improvement council and PTA. Our faculty and staff are always eager to discuss our plans in the education and discipline of your child, and we encourage you to support our plans at school, as well as, at home. Every decision that we make reflects our top priority—the advancement and education of our students. With everyone cooperating and working for the benefit of the children, we ensure a safe and nurturing environment that provides our students with the best possible education that can be offered.

The Mission of Chandler Creek Elementary is to develop the enthusiasm for lifelong learning through inquiry in a global, caring environment developing responsible citizens who exhibit core values. We invite you to join us in making our mission a living document.
